EARTH TIME *and John's Revelation Perspectives*

It is NOT perfect time-sequential in order of occurrence!

Consider Newton's commentary on the *Revelation* chapter-events
TWO POSSIBLE SCENARIOS A or B

Post-Calvary Prophecy: The Millennium

POSSIBLE SCENARIO-A

Har-Magedon “Hill of Megiddo” - Real PLACE 60 miles north of Jerusalem

Valley of Jezreel/Esdraelon **Plain of, or beneath, Megiddo**

Only ONCE in Bible

Revelation 16:16 they gathered together in the place called Har-Magedon

part of 6th bowl of God’s wrath - 3 unclean spirits/demons gather kings from the world to Har-Magedon - the Hill of Megiddo.

*Revelation 19:11 -21 at the Second Coming of Jesus the armies of the **pseudo-christ** are assembled to battle Jesus and His Bride who comes with Him.*

NO mention of Har-Magedon

***Pseudo-christ** and his false prophet are then thrown into Gehenna [lake of fire]*

Post-Calvary Prophecy: The Millennium

POSSIBLE SCENARIO-A

Revelation 20:1-3 powerful *aggelos* binds Satan to *abusso* [Abyss] in Sheol [abode of dead] for 10 centuries of Millennium. One side of the Abyss [Luke 16] is “paradise” Jesus finished His work on the cross [*Tetelestai*] - went down to Sheol Ephesians 4:9 to announce Mashiach has come and led that side of Abyss to heaven in their new bodies. That is part of **first resurrection** with *absent from the body and present with the Lord*.

Revelation 20:5-6 dead in Sheol are either in **first resurrection** [see above] to new life in new body or remain in Sheol until the **second resurrection** to Great White judgment and Gehenna. Those from that first resurrection are blessed!
Second death has no power over those in **first resurrection**.

Post-Calvary Prophecy: The Millennium

POSSIBLE SCENARIO-A

Revelation 20:7-10 Millennium kingdom concludes
Satan released from Abyss and deceives people from all nations
They lived under Jesus' rule with a rod of iron, but in their hearts
remained defiant and in opposition to Jesus. Satan gathers them with same
demonic spirit of Gog and Magog [first seen in [Ezekiel 38 + 39](#)].

Verse-9 refers to the **Broad Plain** [valley of Jezreel/Esdraelon, plain of Megiddo]
where Lord's saints are camped near Jerusalem.
Fire from heaven falls and devours Satan/Gog/Magog

Post-Calvary Prophecy: The Millennium

POSSIBLE SCENARIO-A

Zechariah 14:3-11 Jesus defeats those assembled for battle against Jerusalem at close of the Tribulation [**Rev. 19:11-21**] at 2nd Coming - His foot touches down. On Mount of Olives Perhaps same location where He was arrested prior to His crucifixion?

Perhaps same location where He gave His Olivet Discourse about the End Times?

Jesus arrives on Mount of Olives [opposite East Gate of Jerusalem]
with force of massive earthquake and splits it in two - half to north half to south
Water flows from this open fissure west to Mediterranean and east to Dead Sea
Geographical landscape permanently altered, with new massive flat plain to the south
while Jerusalem rises up in height over the land.

Post-Calvary Prophecy: The Millennium

POSSIBLE SCENARIO-B Har-Magedon “Hill of Megiddo”

60 miles north of Jerusalem - Valley of Jezreel/Esdraelon **Plain of, or beneath, Megiddo**

Only ONCE in the Bible

Revelation 16:16 *they gathered in place called Har-Magedon - 6th Bowl of God’s wrath*

3 unclean spirits/demons gather kings from the world to Har-Magedon - Hill of Megiddo

Still a 7th Bowl of wrath - Jerusalem splits in 3 parts 100-lb hailstones fall on unbelievers

Revelation 19:11 -21 *armies of **pseudo-christ** assembled against Jerusalem near the end of the Tribulation and then Jesus arrives at 2nd Coming with His Bride who comes with Him*

Matt. 24 *unless those days be cut short NO ONE would be saved.*

No mention of Har-Magedon - infers **Rev. 16:11**

Pseudo-christ and false prophet thrown into Gehenna [lake of fire]

Post-Calvary Prophecy: The Millennium

POSSIBLE SCENARIO-B Har-Magedon “Hill of Megiddo”

Zechariah 14:3-11 Jesus defeats those assembled for that *Rev. 16* battle against Jerusalem at close of Tribulation [*Rev. 19:11-21*] when He arrives at His 2nd Coming [**not Armageddon**] His foot touches down on Mount of Olives.

Perhaps same spot where He gave His Olivet Discourse about the End Times!

He touches down on Mount of Olives opposite East Gate of Jerusalem with force of a massive earthquake and splits it in two [north and south]

Water flows west to Mediterranean and east to Dead Sea

Geographical landscape is permanently altered, with a massive flat plain to the south while Jerusalem rises up in height over the land.

Post-Calvary Prophecy: The Millennium

POSSIBLE SCENARIO-B Har-Magedon “Hill of Megiddo”

Revelation 20:1-3 Satan to the abusso [Abyss] in Sheol [abode of the dead] for 10 centuries

Revelation 20:5-6 all dead in Sheol are either in **first resurrection** to new life/new body or remain in Sheol until **second resurrection** to judgment and Gehenna

Revelation 20:7-10 Millennium concludes - Satan released from Abyss and deceives people from across the nations in opposition to Jesus. Satan gathers them with same demonic spirit of Gog and Magog [first seen in [Ezekiel 38 + 39](#)]

Verse-9 refers to the **Broad Plain** where the Lord's saints are camped near Jerusalem.
Fire from heaven falls and devours Satan/Gog/Magog.

Post-Calvary Prophecy: The Millennium

ISSUES TO CONSIDER *Revelation* - events in sequential chapters but non-sequential time

Rev. 6 - first 4 "seals" broken on Earth's title deed scroll. 5th seal is those martyred during the Tribulation, **but no description yet of the Tribulation**. 6th seal is absolute TERROR that shakes the very resolve of all world politicians-rulers-leaders.

Rev. 7 - 12,000 Jewish evangelists from 12 tribes - then multitude **from Tribulation**

Rev. 8 - 7th seal broken to first 4 trumpets sounded with judgments

Rev. 9 - 5th trumpet opens *abusso* - 6th trumpet 100 million troops from East crossing the dried up Euphrates. **Are these same from *Rev. 16*?**

Rev. 10 - pauses for *little book* John told to ingest re: further judgment.

Rev. 11 - God's 2 Witnesses [Elijah and Moses] - then 7th trumpet declaring **Jesus' kingdom over the world replacing all the kingdoms of mankind**

Post-Calvary Prophecy: The Millennium

ISSUES TO CONSIDER

Rev. 12 - views Earth's temporal past history to witness the birth of Jesus in 2 BC

then *pre-mankind* as 1/3rd of *aggelos* cast from heaven who followed Lucifer in his original sin [Isaiah 14]. Then jumps to *future time Israel sheltered in wilderness* after **abomination of desolation** [mid-70th Shabua]. Back to Michael the archangel *defeats Lucifer's rebellion and casts him to Earth*. Lucifer is then enraged at Israel and wages war against Israel, but the nation is protected.

Rev. 13 - overviews *pseudo-christ* 'son of perdition' 'little horn' and his false prophet.

Rev. 14 - victorious Lord Jesus standing on Jerusalem's hill-top with 144,000 as Gospel is sent out across the globe. Immediately countered with warning of doom to all who follow *pseudo-christ* as special *aggelos* "reap" Earth's population of sinful men and women *who are judged* using the analogy of grapes crushed in a wine press.

Post-Calvary Prophecy: The Millennium

ISSUES TO CONSIDER

- Rev. 15 - jumps to a scene in Heaven with *aggelos* holding 7 plagues
- Rev. 16 - 7 bowls of God's wrath – 6th bowl dries up Euphrates to allow kings from East to move west to attack Israel. Only place *Har-Magedon* is explicitly mentioned. No more about that event – then 7th bowl emptied with declaration “it is finished”.
- Rev. 17 - *mystery Babylon* destroyed by 10-nation alliance with *pseudo-christ*. Jesus prevails and *Babylon* further defined as “city settled on 7 hills” = Rome
- Rev. 18 - detailed demise of Vatican-Rome wiped off Earth, even as this woman riding red dragon boasts, “*I sit as a queen, I am no widow*”.
- Rev. 19 - “Hallelujah” victory over *Babylon* – declaring the Lord alone is the ONE who reigns [not Rome] – then 2nd Coming after marriage of Lamb in Heaven, Groom returns to Earth with Bride [Church] v-19 Jesus will rule ALL nations, whether they agree or not a global Millennium *ruled with a rod of iron*. Begins with *pseudo-christ* and his false prophet judged/banished for eternity.

Post-Calvary Prophecy: The Millennium

ISSUES TO CONSIDER

If [Rev. 16](#) Har-Magedon happens at end of the Tribulation, why is there still a description of 7th Bowl of Wrath afterward as 'the great city' was ripped into 3 sections?

After the 7th Bowl are details of *Mystery Babylon* and what she rides.
Is this in time sequence after the battle of Armageddon?

Does all that follows happen after Armageddon?

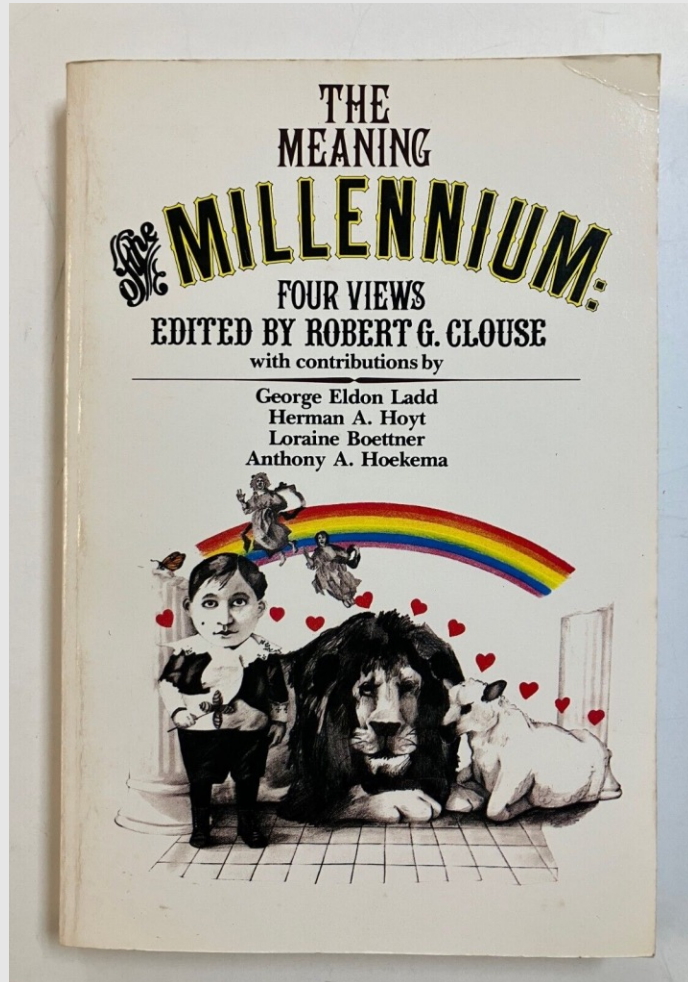

If so, HOW can Jesus at 2nd Coming does arrive to wrap up the Tribulation?

[Rev. 20](#) describes Satan bound by strong *aggelos* for entire 10 centuries of the Millennium. Then dozens of O.T. passages describe life during this 1,000-year kingdom of Jesus.

Satan released after 365,250 literal 24-hour Earth days of Jesus' reign on Earth seated on the throne of David in Jerusalem and rebellious-disobedient hearts of mankind ready to join in Major offensive assault on Jesus and Jerusalem - assembled on **"broad plain"** but the battle ends before military attack begins as *"fire from Heaven"* consumes them – and that's it!
